Supporting the Celebration of Dreams

Celebration of Dreams is an event that honors and rewards youth in the foster care system who have completed high school despite their difficulties more fortunate peers could barely imagine.

On **Tuesday June 9, 2009**, 10% of the day's sales from Mio's will be donated to the Foster Child Enrichment Council to support "the celebration of dreams" and other benefits for foster children like summer camps and extracurricular activities.

Please join us in making a difference for children in foster care.

Don't forget Tuesday is Kids Night. The little ones get to make their own pizzas. Kids just love this.

If you wish to make a donation please see the manager.
